**NOTES FROM THE CHAIR**

This is being written in the early summer when many of us are getting deep into our summer programs. Down here in Miami we have eight summer students representing considerable diversity. Also we are preparing for the arrival of my successor, Patricia Wilson Robinson, who will begin on July 7th and be in an extended orientation until I retire on August 15th at the end of the Summer Program.

With retirement, I may well be able to turn more attention to regional matters. Some comments I have received refer to a regular, interesting and thorough newsletter, better communication generally, an improved website, and perhaps more participation in the national ACPE. If any have additional comments, I would like to hear them.

Jap may have mentioned elsewhere that Earl Hackett died. Though not active in our region in recent years, my understanding is that at one time he served as Secretary of the Region and served a term as President of the former College of Chaplains. We wish to remember his family at this time of loss.

I wish you all an enjoyable summer. Here in Florida we are looking forward to our annual Supervisors' Consortium July 24 & 25 where we can share and support one another.

Best Regards, Ray Otto

**USING THE SERACPE  
WEB SITE**

The Web Site can be a very useful tool for each of us. We have a Web Master who puts all the information on the Web Site for us, but the hardest part is keeping it up to date. This is where each of you come into the picture.

If you see anything that needs to be corrected, deleted, added, or if there is something you would like to see on the Web Site that is not already there, please send an E-mail to Diana Norman with your suggestions to **jimnorm@juno.com** and she will get that information to the Web Master. Also, keep us informed of your correct contact numbers and E-mail addresses.

We apologize for the lack of up to date information recently--the Web Master has been out of town. Hopefully, we'll be up and running soon with all the latest information concerning the Southeast Region, ACPE.

Just go to **www.seracpe.org** on the Internet and click on any of the subjects that appear in the left hand column on the Home Page.

**WELCOME TO THE SERACPE "LIST SERVE"**

Many of you have already experienced the use of the SERACPE List Serve. For those of you who are not familiar with this useful tool, it is a way for you to send messages to all of the members of the Southeast Region at one time. The E-mail address for this list is list@SERACPE.org. If you want to know who is on the list, type this address in the "send to" box and then type %WHO in the "subject" box, send it on and the list will be returned to your E-mail box. If you do not see your name on the list and would like to be on it, please send your name and E-mail address to Diana Norman at jimnorm@juno.com and she will see that you are added to the List Serve. We hope you will find this very helpful in communicating with your colleagues.
